To use the library

At the library there are books, magazines,
cd-records, films and tv-games.
There are books in different languages.
The libraries have language courses, dictionaries
and grammar books.

You can borrow all these if you have a library card.
To get a library card you have to show a valid identification card
and agree to follow the library rules.

You can use the library card at 35 libraries and 3 library buses.

Books may be borrowed at least two weeks.

When you borrow, you will get a receipt that show
how long you may keep the items you borrow.

The library card is free and it is free to borrow books.
If you return the items too late, there is a charge.

There are computers to use at the library.
At many libraries there are wifi.

At the library you can find information about lectures,
storytelling and conserts.

Ask the staff if you need help.
